**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic.net has been one of the best providers I have ever had. The frustration that I had prior to finding Sonic.net, who was recommended to me, was practically palatable. AT&T has been one of the worse providers I have ever had to deal with and due to having the opportunity to have a competitive provider, I no longer have to be bothered with them. With that being said, a competitive provider has given me the opportunity to choose a great provider that is much needed and necessary, but has also given me, as well as many people that I have recommended to Sonic.net, peace.
